To Whom it May Concern:

Reference: Keith Nam

Keith Nam provided valuable assistance to international franchise development at both Sbarro and Ruby Tuesday. Keith was contracted as a consultant and tasked with locating and qualifying potential franchisees for both of the previously noted companies. Keith's area of responsibility was primarily The Republic of Korea, but he also assisted in all of Asia.

Keith is knowledgeable, professional and ethical and a pleasure to work with on various projects.

I highly recommend Keith Nam.

Please do not hesitate to contact me should you require additional information regarding Keith Nam.
